

QUALITY POLICY STATEMENT

The Quality Assurance Policy of the Department of Philosophy is fully aligned with the Quality Policy of the National and Kapodistrian University of Athens, making the Department of Philosophy fully committed to providing high quality Greek and foreign language higher education to the students who choose it, organizing and implementing Undergraduate, Postgraduate and Doctoral Programs of high academic standards and significant added value, both in Greek and English, in the most important scientific areas and disciplines of the Department of Philosophy. In addition, the Department seeks to develop a creative environment of research, free scientific expression and work for all staff and members of its academic community.

The Department of Philosophy is committed to the implementation of this quality policy, also in the MSc “Leadership: Ethics and Politics” which it offers and will offer in the future, implementing the quality procedures foreseen by the Internal Quality Assurance System of the Institution, with the ultimate goal of their continuous improvement. Through this Quality Policy, the academic character and orientation of this postgraduate program is strengthened, its purpose and subject matter is promoted, as well as the implementation of specific objectives set for each year, while the means and ways of achieving the above are defined and the participation of stakeholders in the evaluation and redesign processes is ensured.
